Getting home from SATF-Corcoran and CSP-Corcoran can be difficult and expensive, and you may have no more than \$200 to pay for the return trip. This guide is intended to provide information on transportation options from SATF Corcoran and CSP-Corcoran.

LEAVING PRISON – SATF-CORCORAN AND CSP-CORCORAN:

According to the administration, they arrange transportation as far as necessary for individuals with a medical need. For those without medical needs prohibiting the use of public transportation, on the day of your release, you will be taken to Receiving and Release, where you will be provided clothing, identification, and gate money.

From there, you will either be transported to the Corcoran Amtrak or the Tulare Greyhound. Prisoner Reentry Network has contacted Receiving and Release, and they will not disclose how they determine whether an individual will be released to the Corcoran Amtrak or the Tulare Greyhound.

Clothing: The prison will provide you clothes for your release. There are some clothes that have been donated, and you also may purchase clothes from PIA using your gate money. The clothes cost approximately \$30.

If someone has sent dressouts, they will be waiting for you at Receiving and Release. An individual must send the items thirty days prior to your release, write “dressouts” as well as the person they are being delivered to.

Identification: You may keep your CDCR-issued identification, and this will likely be the only identification available. However, recent legislation has required CDCR and DMV to supply individuals leaving prison with identification. Starting January 1st, 2015, AB 2308 requires the California Department of Corrections and Rehabilitation and the Department of Motor Vehicles to ensure that inmates released from state prisons have valid identification cards (pictured right).

If you are leaving prison, and you meet all the following requirements:

1. Previously held a CA driver’s license or ID card.
2. Have a usable photo on file with the DMV that is not more than 10 years old.
3. No outstanding fees due for a prior CA identification card.
4. DMV verified your name, date of birth, social security number, and legal presence in the US.

Then, you should get an identification card. **Prior to release, speak with your counselor about getting your CA ID.** Identification is important to get public benefits, housing, and other important necessities.

Gate Money: Many CDCR facilities no longer give cash at the gate release. Instead, they are issuing debit cards as gate money (pictured left). This debit card should have your \$200 gate money, in addition to the money in your trust account.

Corcoran Amtrak Station: If you do not have someone scheduled to pick you up, you will most likely be taken to Corcoran Amtrak Station. The Corcoran Amtrak is Corcoran Greyhound. The Corcoran Amtrak station looks like this:

PURCHASING TICKETS AT AN AMTRAK STATION USING A TICKET MACHINE

If you make it to an Amtrak station, there may be an electronic kiosk where you can purchase bus and train tickets (pictured left). Make sure you buy a ticket **all the way to your final destination**, rather than purchasing separate tickets for each leg of the journey.

The Quik-Trak machine uses a touch screen. To purchase tickets using the Quik-Trak Machine, follow these instructions:
