Getting home from SVSP/CTF can be difficult and expensive, and you may have no more than \$200 to pay for the return trip. This guide contains information on transportation options from SVSP/CTF.

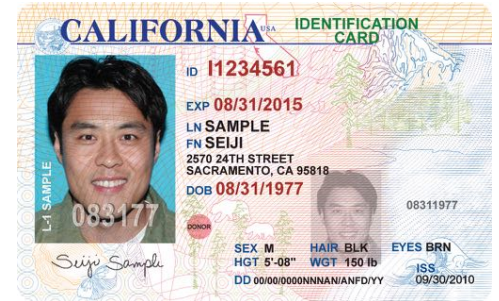

LEAVING SVSP/CTF:

On the day of your release, you will be taken to Receiving and Release, where you will be provided clothing, identification, and gate money. You will then be taken to Salinas Greyhound/Amtrak. However, some individuals leaving CTF will be taken to the King City Greyhound.

Clothing: The prison will provide you clothes for your release. There are some clothes that have been donated, and you also may purchase clothes from PIA using your gate money. At SVSP, the cost for clothing is \$30.44, and the cost is similar at CTF.

If someone has sent dressouts, they will be waiting for you at Receiving and Release. An individual must send the items thirty days prior to your release, write “dressouts” as well as the person they are being delivered to.

Identification: You may keep your CDCR-issued identification, and this will likely be the only identification available. However, recent legislation has required CDCR and DMV to supply individuals leaving prison with identification. Starting January 1st, 2015, AB 2308 requires the California Department of Corrections and Rehabilitation and the Department of Motor Vehicles to ensure that inmates released from state prisons have valid identification cards (pictured right).

If you are leaving prison, and you meet all the following requirements:

1. Previously held a CA driver’s license or ID card.
2. Have a usable photo on file with the DMV that is not more than 10 years old.
3. No outstanding fees due for a prior CA identification card.
4. DMV verified your name, date of birth, social security number, and legal presence in the US.

Then, you should get an identification card. **Prior to release, speak with your counselor about getting your CA ID.** Identification is in important to get public benefits, housing, and other important necessities.

Gate Money: SVSP issues debit cards as gate money (pictured left) instead of cash. This debit card should have your \$200 gate money, in addition to the money in your trust account. CTF may have implemented the same program by the time of your release.

Salinas Amtrak/Greyhound Station: If you do not have someone scheduled to pick you up, you will likely be taken to Salinas Station. It looks like this:

King City Greyhound:

Individuals released from CTF may be taken to the **King City Greyhound Station**. CTF's receiving and release did not provide information on why some individuals are taken to King City, stating that it was "security oriented." They hinted that individuals going South were more likely to be taken to King City. The King City Greyhound station is inside Garcia Mini Mart, which looks like this:

PURCHASING TICKETS AT AN AMTRAK STATION USING A TICKET MACHINE

The Bus/Amtrak station **may not have a ticket office**. Instead, there may be an electronic kiosk where you can purchase bus and train tickets (pictured left). Make sure you buy a ticket **all the way to your final destination**, rather than purchasing separate tickets for each leg of the journey.

The Quik-Trak machine uses a touch screen. To purchase tickets using the Quik-Trak Machine, follow these instructions:

Step 2: Touch “Create Reservation” and select the location where you would like to go, and when.
